Patent being a techno-legal subject matter, only Science graduates are allowed to take the Patent Agent Examination. Keeping in view the huge Patent filing (50,000/year appx.) in India, there is an emergent need of Patent Agents for effective disposal of filed Patent Applications. After qualifying Patent Agent Exam, the Patent Agents can avail positions in reputed Law Firms, R&D Organizations or can start their own Independent Practise.

In view of the aforesaid, the present course has been designed to exhaustively cover the Indian Patent Act and Rules, along with Patent Application Drafting Exercises which will help the candidate to prepare for the Patent Agent Examination.

## ➤ Objectives of this course

- To understand the Patents Act, 1970 and the Patents Rules, 2003.
- To get familiar with practical approaches on Drafting of Patent Applications.
- Assessment of the candidates by the Mid Tests and Full Length Tests.
