Prizes :

Content:

- The theme of the blog is IP and Youth : 'Innovating for a Better Future'
- The content should be original of your own and should not be a "copy-paste" exercise However, you may refer to data online as well as from other reference books and journals.
- The participants are advised to check content for plagiarism
- The participants are also advised to check the correctness of English grammar
- It is expected that the blog/content should technically be correct and at the same time its language should be creative, appealing, and should be free from grammatical mistakes
- The blog should have a minimum of 1000 words and a maximum of 3000 words
- A similar blog (article) or a similar topic if published or given anywhere else is not allowed.
- The language should be easy, simple so that it is understood easily
- The blog (article) should be submitted to ipfc@gtu.edu.in e-mail latest by 24-04-2022
- We can allow a maximum of two authors to write one single blog (A student and a faculty can also participate together)

There are a few points you need to take care of:

- The jury/panel of judges shall be appointed by GTU and the decision of the jury shall be final
- The main author has to get registered; his/her name would be published (if selected) on the top of the article & co-author and co-author's be published at the end of the article. Make sure that you write both author names in your word file.
- Only one E- Certificate of the winner with both, Main author & Co-author's name will be provided
- However, only one Trophy for each prize will be given
- Participation e-certificate to both, Main author & Co-author's name will be provided

Note:

- The future copyright for all the blogs (articles) published on the website of GTU IPR shall remain with Gujarat Technological University.
- The GTU and its team reserve the right to check the plagiarism and edit the content required as per the requirement of the website of the articles submitted
- If any participant had copied the content of another participant, then the first submitted article will be accepted
- Participants can add value to their resume, whose article is published on the GTU website
