

Gujarat Technological University

Organizes

Two Days Workshop on Patenting in Pharmaceuticals

For Pharmacy Faculties of GTU

On 3rd & 4th September, 2011

ABOUT THE PROGRAMME

This is a unique workshop first organized by GTU for Pharmacy Faculty on the theme of Patents and IPR. India has become a favorable destination for Pharmaceutical MNCs after becoming a signatory of TRIPS Agreement. According to WIPO report (July-2008), India ranked 1st in the world in terms of growth of patent filing in Pharmaceutical sector. But out of this nearly 60 % patents filed by MNCs, 35 % filed by Indian companies and only 5 % filed by Indian Academia. So if we will not awake then MNCs will monopolize in our country. Therefore GTU has taken a step to sensitize Pharma-academicians to understand the concept of Patent & IPR, so that we can have our own technology for our country and also generate revenue from the research, which ultimately helps to drive “**Knowledge economy**” of the country.

OBJECTIVES

- To highlight recent trends and advances in the field of Patenting in pharmaceuticals
- To give hands-on-training of patent searching and patent filing procedures.
- To familiarize the participants with the concepts of patent and patenting in India, U.S. and U.K.
- To provide an overview of how to select Research topic so that it can be Patentable and later on generate Revenue.

COURSE CONTENT IN BRIEF

- Concept of IPR and Patenting in India (Pre-GATT and Post GATT era)
- Importance of patenting in pharma industry as well as pharma-academia
- Type of inventions patentable under Indian Patent Act
- Patent Filing Procedures in India
- Claim Drafting and drafting of Patent application
- Different techniques for Patent search using Free and Paid Databases
- How to generate revenue from the research

RESOURCE PERSONS

- 1) Prof. Anamik Shah, Department of Chemistry, Saurashtra University, Rajkot
- 2) Shri Padmin Buch, Director, GITCO Patent Cell, Ahmedabad
- 3) Mr. Anil Pandey, Honorary consultant of IPR, NIF & SRISTI, Ahmedabad
- 4) Dr. Rajesh Acharya, Advocate & Patent Attorney, H. K. Acharya & Co., Ahmedabad
- 5) Dr. Alpesh Pathak, Head, IPR Cell, Alembic Pharmaceuticals Ltd., Baroda
- 6) Dr. Nagesh Nanda, Manager, Product Development, TRC, Ahmedabad
- 7) Mr. Makarand Waiker, Marketing Head, Scifinder, Pune
