8	3: 15 PM	Q & A	-
		Feedback (google form)	-

# GTU INNOVATION COUNCIL

## GTU- IP Facilitation Centre

### **GTU Innovation Council (GIC)**

GIC has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing inter- action for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem. Through the efforts for creating culture of innovation and entrepreneurship in 7 years, an aura of developing the ecosystem across the state was conceptualized. The pilot projects and efforts have ideated many policies which have helped to change and shape up innovation and entrepreneurial mind-set of students.

### **IPR Workshop**

GIC IP Facilitation centre GTU conducted patent filing workshop. The event highlighted with active and enthusiastic participation of more than **36+ students** at Surat centre of GISC. To begin with the introduction concerning GTU Innovation Council and its efforts in building entrepreneurial ecosystem across Gujarat This first session was on Basics of IPR which is designed to enlighten the participants about the basics of Intellectual Property Rights, its effect on the ‘project to product process and patent basics’. Mr. Chandramouli S. Pachouri from GTU IPR team introduced the students with Intellectual Property Rights (IPR) and its various benefits. Students were also made aware about the current knowledge-driven, private sector oriented economic development paradigm, the different types of intangible assets of a business are often more important and valuable than its tangible assets

Furthermore, the discussion about Patent funding support given by GTU under the SSIP policy up to INR 50K per Indian National Patent Filing Including Government Fees was introduced. Finally, the second session after lunch was continued by Ms. Shailja Jhala from GTU IPR team with hands on practice of patent searching on free databases. Moreover, the students were also made aware with the use of the paid database Patseer access and its features.
