Time: 02:00 PM to 04:00 PM

Expert:

Mr. Gaourav Soni, Esq.

Advocate and Attorney,
Founder at Soni and Soni Associates

Mode: Offline

No. of Participants: 113

GTU IDEALAB and GTU IPFC jointly organized an Expert Session on the Legal Aspects of Idea to Impact on 17th March 2023, with a focus on providing students and faculty members with insights into the legal requirements for executing an idea from conception to market.

The session was conducted by Gaourav Soni, Esq., a Corporate Attorney, who has significant expertise in the area of compliance and mandates in the corporate world. He provided attendees with valuable insights into the legal and regulatory requirements for executing an idea and highlighted the potential pitfalls that they should be aware of.

The session was well-attended, with a total of more than 100 students, more than 5 faculties, and 4 industrial person participating, and the feedback was overwhelmingly positive.
